Motivated IT student with basic knowledge of web development, including HTML, CSS, JavaScript, Tailwind, PHP, and SQL. Eager to gain hands-on experience and enhance skills through an OJT opportunity. Committed to learning and contributing to web development projects in a collaborative environment.

Experience

McDonalds, Crew
April 2022 - July 2022
As a crew member at McDonald's, I provided friendly and efficient customer service in a fast-paced environment, ensuring customer satisfaction with every interaction. My responsibilities included preparing and serving food items while adhering to strict hygiene and quality standards, operating point-of-sale systems to process orders accurately, and handling cash transactions. I worked collaboratively with team members to maintain smooth daily operations and contributed to keeping the dining and kitchen areas clean and safe in compliance with company and safety regulations
